## Four Republicans Go To Court House

Come the first of January there will be four new Republican faces in Palm Beach county's court house in West Palm Beach. Taking over in the sheriff's office will be Republican Martin Kellenberger of Delray Beach who defeated Democrat incumbent John Kirk by a vote of 37,582 to 30,982.

In the supervisor of registration's office will be youthful Republican Daniel Gorham who defeated Democrat Horace Beasley by a vote of 32,190 to 30,311.

When the county commission organizes for the new year there will be two new faces in the persons of Republican E. F. Van Kessel who defeated Ken Foster by a vote of 35,739 to 27,965. Also Republican Edward Bandlow will be there instead of Democrat Roy E. Michael Jr., who was defeated by a vote of 33,203 to 29,786.

Surviving the Republican onslaught were the following Democrats:

### STATE SENATOR

Ralph Blank, Jr. (D) 34,168  
Robert C. Johnson (R) 30,319

### STATE REPRESENTATIVE

#### Group 1

Jerry Thomas (D) 33,870  
George L. Muhr (R) 29,754

### SATE REPRESENTATIVE

#### Group 2

Emmett S. Roberts (D) 31,707  
Paul Beabout, Jr. (R) 29,742

### COUNTY JUDGE

Paul Douglas (D) 32,899  
C. B. Guthrie (R) 29,772

Democratic Congressman Paul G. Rogers carried the county over his opponent John D. Kruse by a vote of 39,324 to 26,981 and went on to win re-election in the Sixth Congressional district.

The county went for Richard Nixon by a vote of 43,656 to 28,911 for Senator John F. Kennedy. However, this slight setback did not keep Senator Kennedy from becoming president of the United States. The county also went for Republican George Peterson in the governor's race but that didn't stop Democrat Farris Bryant from winning the governor's job.

## Band Members Get Annual Awards

Annual awards, based on number of years of participation in the Pahokee High School, were presented to band members by Bandmaster Robert O. Lampi. Sandra Lampi who has been with the band the longest, seven years, received a plaque on which her picture was engraved. For five years of participation Patsy Keene and Martha Sellars were awarded chain necklaces with band keys and Robert Lampi, II, a tie clip with band key. Other presentation included band pin with 1960 year guard to Olga Shefield and Bonnili Lair, four years; large pins in the shape of a lyre to Verlon Jones, Linda Woofter, Yvonne Thompson, Becky Grimes, Sandra Upthegrove, Louise Stacy and Lamar Williams, three years; smaller lyre pins to Vicki Alley, Evelyn Stacy, Wayne Hundley, Alice Hurt, JAMES Batchelor, Dorothy Batchelor, Glen Sanders and Sue Brower; two years.

## New Commissioner

E. F. VAN KESSEL

A new member of the county commission in January will be Republican E. F. Van Kessel of Juno who defeated Democrat Ken Foster in District 1, by a vote of 35,739 to 27,965. Mr. Van Kessel is owner and operator of a motel at Juno where he also serves as chief of police and chief of the fire department.

## Funeral Services For Lt. Col. Keyes

Funeral services for Lt. Col. P. Andrew Keyes, 56, 10971 S. W. 47th St., Miami, son-in-law of Mr. and Mrs. R. W. Sanders of Pahokee, were held in the chapel of Tracy Funeral Home, Miami, at 8 p. m. on Wednesday of last week. Burial with full military honors was at the Arlington Cemetery in Virginia.

Lt. Col. Keyes died Tuesday at the VA hospital after a long illness. He was inspector general of Edwards Air Force Base in California and a veteran of the U. S. Air Force for 30 years before going to Miami with his family in 1951, following his retirement.

A member of the Retired Officers Association, veteran of World War II, he served as personnel staff officer and administrative officer assigned to the Infantry Field Artillery Fighter Command personnel and the Air Material Command during his tour of duty in the zone of interior, Canal Zone and Wiesbaden, Germany. He participated in the Berlin Air Lift.

Survivors include his wife, Sibyle, one son, P. Andrew Keyes, II, and one daughter, Andrea, all of Miami; two sisters, Mrs. Beatrice Longley, and Mrs. Esther Sullivan, both of Jamaica, L. I., N. Y.

The family was accompanied to Arlington by Russell Burke of Miami, a nephew.

## Market Group Has New Directors

Paul C. Kirchman was re-elected a director and Howard Hill and Melvin Wilder were elected new directors of the Glades Livestock Market Association at the annual stockholders meeting held at the Pahokee Elks Club. New GLMA officers will be elected at the next meeting of the board of directors, the date to be announced.

## Rardin Is Grateful For 25,962 Votes

County Commission Chairman Paul Rardin of Canal Point is deeply grateful to the thousands of voters in Palm Beach county who cast a complimentary vote in his behalf of Tuesday in the general election. Chairman Rardin received 25,962 complimentary votes. He had no Republican opponent and the votes were merely an expression of good will from the thousands of voters.

Neither did the commissioner have a Democratic opponent in the May primary election for which he is also grateful.

## Special English At Pahokee School

Since the foundation of formal education is the ability to read and understand what you have read, Pahokee High School is inaugurating a special unit in their ninth and tenth grade English classes to help the students in their reading.

This unit was developed by Don H. Parker, Consultant with Scientific Research Associates and is designed to help the poor as well as the good reader develop better skills in reading.

This course is designed to help the students understand what they have read by showing them what to look for in their reading, improve their reading rate, increase their vocabulary and improve their spelling.

Each student makes a survey of their strength and weaknesses in reading and then works on the skill that needs improving. It is hoped that upon completion of this unit the students will have a better understanding of the importance of reading in their school work.

## Local PTA Group Clears \$183 Cash

The Canal Point Parent-Teacher Association cleared \$183 on its Halloween carnival, according to the report of W. E. Johnson, chairman, given at the November PTA meeting held in the school auditorium Monday night with the president, Mrs. Joe Cherry, Jr., presiding.

From the carnival fund a contribution of \$50 was voted to the Canal Point Athletic Association for the purchase of basketball uniforms; also \$10 was presented to each school room that sponsored a concession at the carnival, and \$5 to Bud Miller, the school custodian. The monthly attendance award was won by Mrs. Ruth Stewart's third grade room.

Guest speaker was Miss Jane Plunier, County nurse, who explained the health program for children being carried out in Palm Beach County Schools. It was announced a Christmas musical program will be presented by the school children under the direction of Mrs. Ruth Snyder at the December meeting. Mrs. Grady Echols, hospital chairman, and her committee served refreshments at the close of the meeting.

## New Commissioner

EDWARD BANDLOW  
Lake Worth

Another new member of the county commission in January will be Republican Edward Bandlow of Lake Worth who defeated Democrat Roy E. Michael of Lake Worth by a vote of 33,203 to 29,786. Mr. Bandlow is a land developer in Lake Worth.

## Chairman Named By Chamber Head

Karl N. Mindlin, new president of the Pahokee Chamber of Commerce, presided for the first time at the November meeting of the board of directors in the Civic Building Monday night.

Mindlin named as chairman of the chamber's standing committee for the coming year L. J. Fraser, agricultural; Wiley Tillis, industrial; Jack Spencer, merchants; Robert Fisher, special events; C. R. Wetherington, finance; E. A. Jensen, airport and highways; Luke Dufresne, membership; Luther York, publicity and advertising; C. E. Williams, harbor and sports; Oscar Dobrow, legislative. Mrs. Florrie Nix, new executive secretary in charge of office operations, was introduced to the directors.

The board voted to issue a chamber news bulletin on the 15th of each month invited the membership to send in news items of interest, especially those relating to the economic growth of the community. Discussed was the proposal that the Pahokee chamber join other civic organizations in neighboring communities in the sponsorship of a large roadside sign located on US 441 north of Okeechobee, advertising US 441 South as the scenic route skirting the shores of Lake Okeechobee.

## Turkey Shoot Is Planned By Lions

Canal Point Lions at their weekly dinner meeting discussed plans for their annual Thanksgiving turkey shoot which will be held this year on the Lake Okeechobee levee. President P. A. Slonaker appointed A. R. Harrington and Albert Freud on the committee in charge of the project. They will be assisted by Slonaker and other members of the club. Nov. 21, 22 and 23 were set as definite dates for the shoot and possibly there will be two more days, Nov. 19 and 20, according to Slonaker.

## Blue Devils Play New Smyrna Beach

The Pahokee High Blue Devils, instead of playing the Vero Beach Indians on Lair Field this Friday night as scheduled, will entertain the New Smyrna Beach High team, the game to start at the regular time, 8:15 p. m. A misunderstanding that resulted in a conflict in the Vero Beach and Pahokee schedules made it necessary to cancel the traditional game between the two teams this season, and the New Smyrna Beach team agreed to travel to Pahokee and play the Blue Devils in place of the Indians.

The visitors, with an excellent 5-2 record so far this season, have two fast and elusive backs in Quarterback Hester and Halfback Benedict to spark their drives. In their 38-13 win over Titusville last week Hester demonstrated his elusiveness by running two punts back for 64 and 67 yards.

The Blue Devils settled for a 7-7 tie with the Okeechobee Brahmans on Lair Field last Friday night. Coach Pell's men scored in the second when they marched 85 yards, with John Davis making the TD in an end run from 15 yards out. Quarterback Denny Padgett pulled the extra point out of a muddle when he picked up the fumbled ball in the conversion attempt and ran it across to pay dirt.

The Brahmans evened things up in the third quarter, and the Blue Devils fumbled away their chances to go ahead in the final period. Curtis Russom carried the ball for 72 and Doug Blanton, 49, of the 202 yards the Blue Devils gained rushing. They got 13 first downs to Okeechobee's 8.

## Polio Drive Will Be Staged Nov. 26

A request for immediate registration of talent contestants for the second annual Poliolethon of Palm Beach County has been made by John L. Remsen, general chairman of the Poliolethon, which will be simulcast over WEAT-TV and WEAT-Radio stations from 11 a. m. Saturday, Nov. 26, to 2 p. m., Sunday, Nov. 27.

The show will feature talented amateurs and professionals who will compete for valuable prizes donated by local merchants and business firms. Contributors to this National Foundation drive for funds are invited to vote for favorite performers, each dollar donated going to the donor one vote.

The Poliolethon format perfected last year makes it one of the most gigantic talent showcases for all types of performers in the area. Remsen said that the local talent displayed, the appearance of celebrities, the support of civic organizations and officials, plus the interest and enthusiasm which the show received last year, all point to a tremendously successful presentation this year.

Paul Crabtree, famous Broadway and Palm Beach director, who will again direct the show, will audition the performers. Frank J. Hale, noted producer, will again produce the Poliolethon, which is to originate from the stage of the Royal Poinciana Playhouse. Ap- (continued on page 8)

Here's what the new 3 3/4% interest rate  
on U.S. Savings Bonds means to you:

**\$3 = \$4 fourteen months faster than before**

***The Bonds you own are better  
than ever, too***

The new 3 3/4% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra 1/2% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

***More advantages of U.S. Savings Bonds***

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

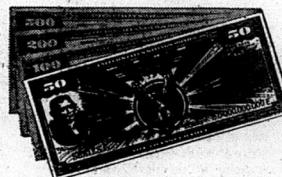

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Oh, no trouble at all!

We've an EXTENSION PHONE  
right by the Bed!

Perhaps you enjoy the excitement of racing for the phone through a dark house at midnight, bruising your shins on the furniture.

But, it's more likely that you would prefer the comfort and convenience and the downright privacy of a bedroom phone. We'd like to add two more reasons why you'd love having one.

First, it won't upset your budget a bit. You'll be surprised how little it costs. Second, extensions come in charming decorator colors—for any room in the house!

Enjoy living as you like it! Order the extensions you need.

Kenneth Hitchcock won the Philco portable TV set "given away" at the dance.

## Trust Fund Gains Says James Vocelle

TALLAHASSEE — Industrial Commission Chairman James T. Vocelle said today that employees have been saved \$2,911,231 this year in unemployment taxes through investment earnings of the Unemployment Trust Fund.

The amount represents the interest the fund has earned this year by its deposit of nearly \$100 million in certificates of the U. S. Treasury.

Vocelle explained that "Under our present sliding scale tax with adjustment factors to offset the ups and downs of the economy, the employer taxes must keep the fund at or above 4 percent of their total taxable payrolls. The earnings of the Trust Fund in interest thus actually saves them the \$2,911,231 income by keeping them from having to pay that sum in taxes."

Vocelle said the interest was the greatest ever received by the Fund in any single year.

## Tourist Industry To Get Shot In Arm

MIAMI—Gov. Elect Farris Bryant has asked for help in revitalizing Florida's tourist industry and leaders in the field have pledged their wholehearted support.

Bryant's Florida Tourism Work Session met at the Doral's Dupont Plaza Hotel with some 375 of the top minds in the Sunshine State's number one business in attendance. General chairman of the one-day session was W. B. Ray, director of public relations of Silver Springs.

Featured speakers included B. R. Fuller, director of the Florida Development Commission; Robert Nelson, executive director of the Virginia Travel Council and Bryant. Fuller explained the necessity of increased funds for advertising by the commission while Nelson told how the Commonwealth of Virginia re-established their travel business.

The governor-elect told how his plans include the cooperation between government and business in further developing Florida as the world's number one tourist mecca.

Attending this first such meeting ever called by an incoming governor were leaders in the fields of hotels, motels, attractions, transportation, restaurants and chambers of commerce.

## Ask Sugar Quota Be Raised In State

JACKSONVILLE — The agricultural division of the Florida State Chamber of Commerce is urging the Federal government to allow a substantial increase in Florida's sugar quota in view of the Cuban situation.

A resolution seeking the increase was approved by the committee and will go before the State Chamber board of directors at their annual meeting.

Harry T. Vaughn, president and general manager of the United States Sugar Corporation of Clewiston, stated recently that the Everglades has a potential for the growing of sugar cane that is tremendous and that expansion of the industry in this area should be given every encouragement.

## New Committee To Study Water Control

MIAMI — A group of four engineering firms, headed by Maurice H. Connell & Associates of Miami, has been retained by the State of Florida to work out plans to cut down on flood damage in Central and West Central Florida.

The Connell firm's selection as general consultant in the water control plan was announced in Tallahassee by John W. Wakefield, director of the Florida Department of Water Resources.

Object of the study is a comprehensive plan to harness the flood-making capacities of the Oklawaha, Hillsborough, Withlacoochee and Peace Rivers.

Overflowing of these rivers annually causes millions of dollars in damage throughout the citrus belt and in such metropolitan centers as Orlando and Tampa. It is expected the plan will develop a method of preventing floods with a series of canals, flood gates and water storage basins in the affected areas.

Three other Florida engineering firms, Gee and Jensen, West Palm Beach; Reynolds-Smith and Hills, Jacksonville; and Lamar Johnson, Lake Wales; are being employed at the same time to prepare detailed plans in parts of the flood problem area. A preliminary report will be made on September 9 to State Senator James E. (Nick) Connor and his committee on water control at the courthouse in Dade City.

Mr. and Mrs. Delmar L. Hooks had as a guest over the weekend their son, John Howard Hooks, of Miami.

## Needs, Service Important Facts In Pump Purchase

GAINESVILLE — Florida leads other southeastern states in the percentage of farms with electric water systems, according to agricultural engineers with the Florida Agricultural Extension Service. Specialists report an estimated 80 to 85 percent of Florida's electrified farms have running water. They add that new rural homes are being built and some old homes need a new water system or a larger system.

The diameter of the well and the depth to water determine the type of pump to use. If the water in the well is always less than 22 feet below the surface, including drawdown during pumping, a shallow-well jet or a submersible pump is recommended.

If a shallow-well jet is selected, it should be the type that can be converted to a deep-well jet. The water table could drop in

the future.

If a new well is being drilled, engineers usually recommend that at least a four-inch well be drilled. Money saved on a small well will often prove to be poor economy. When the water level in the well is more than 22 feet below the surface, a deep-well jet or a submersible pump is needed.

Submersible pumps require a minimum of at least a four-inch well. The electric motor and the pump are placed below the water surface. This type pump pushes the water instead of pulling it. It gives more gallons with more pressure for the horsepower and electricity used than any other pump.

Piston pumps are made in shallow-well and deep-well types and could be used. They were satisfactory in their day, but are gradually being replaced.

When calculating the water needed be certain to include future as well as present needs. Select a pump that supplies daily water needs with two hours or less of actual pumping time.

Extension Service Specialists

recommend buying a guaranteed brand of pump that is sold and serviced by a dependable local dealer. Service is especially important in selecting the brand of pump to buy.

## Screw Worms May Be In Sebring Area

SEBRING — Florida owners of small animals and domestic pets have been urged to keep a sharp watch for screwworms following discoveries in the Tampa area of the first positive cases of the pest to be reported in 16 months.

The importance of prompt reporting of any suspected screw-worm cases to the proper authorities also was stressed.

According to Dr. M. E. Meadows, Jr., chief of the screwworm eradication section, Florida state veterinarian's office, screwworms have been found by a Tampa veterinarian. Immediate precautions have been taken in the area, he added, and will continue to prevent any possible spread of the pest.

**HERE! EASIER GOING FOR THE DRIVER AND THE LOAD, LONGER LIFE FOR THE TRUCK!**

## '61 TORSION-SPRING CHEVROLET

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, *everything*) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking at the soundest truck investment you could bet your business on.

## and look! NEW REAR-ENGINE CORVAIR 95's

A panel and two pickups that put a thrifty air-cooled engine in the rear, the driver up front and as much as 1,900 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvair 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Built to last and bound to save on a busy schedule. See why *now* is the time to buy.

CORVAN—Side doors open a full 49° wide. Loading height is a low 14" H.H.

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compound, or semiannually when held to maturity (9 years and 6 months)

—they're soon worth much more than you'd invested in them. And your Bonds will continue to grow, because you can reinvest in them for 10 years and 6 months. That means a return of up to 30% more than you originally paid.

And remember this. There's no paperwork or expense about the Payroll Savings Plan. It's absolutely safe and easy. Invest just \$100 a week. In 5 years you'll have Savings Bonds worth \$2000; in 10 years, \$4000.

Even if you've never been able to save before, this plan is guaranteed to work. You just sign up today for Payroll Savings, where you want—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

## Threlkeld Named Youth Center Head

James Threlkeld, eighth grade teacher at the Canal Point School, has been appointed new director of the Pahokee Youth Center. Funds for his salary have been set up in the current budget of the City of Pahokee.

At a meeting of Youth Center officials at the center to plan activities for the coming year, Mr. Threlkeld was named chairman of the planning committee. Others on the committee are Mrs. Norman A. Kennedy, secretary; Mrs. E. C. Johnson, Herman Austin, Mrs. J. T. Boynton, and Louis Mims.

Hours for teenage activities at the center were tentatively set 7 to 9 p. m. on Tuesday nights and from 7 to 11 p. m. on Friday and Saturday nights. Plans were discussed for the opening of the center in the afternoons for the younger children.

## Sorority Accepts New Members

Miss Lynette Hammond, Mrs. R. L. Hatton, Mrs. William R. Hatton and Mrs. John Zimmerman were conferred the pledge ritual of the Beta Sigma Phi Sorority by the Beta Omicron Chapter in a beautiful candlelight ceremony at the home of Mrs. Julian Branch, with Mrs. Lois White, president of the sorority's city council, in charge.

At the business session, with the president, Mrs. Jimmy Moore, presiding, plans were made to collect gifts for patients at State hospitals, each member to bring a gift for a man and another for a woman at the Dec. 1st meeting. Mrs. C. L. (Lee) Shirley, Jr., announced Beta Omicron will sponsor a games party in the Community Building at the Glades Park, Canal Point, Nov. 15, at 8 p. m.

In the presentation of the program, "Interpretation of Love," Mrs. Frank Gillis gave a review of the life of Dr. Albert Schweitzer, world renowned philosopher, missionary, musician and physician. It was announced Mrs. Karl Mifflin will be hostess at the Nov. 17th meeting at her home.

## Pahokee Women Hear Local Pastor

The Rev. Robert A. Shelley, pastor of the Canal Point Methodist Church, was guest speaker at the November meeting of the Pahokee Methodist Woman's Society of Christian Service held at the church with the president, Mrs. Ernest Maxwell, presiding. Introduced by Mrs. Elsie Sims, program chairman, of the Miriam Circle, he spoke of the value of missions in spreading the word of the Gospel, both at home and abroad. Mrs. R. F. Hurt gave the devotions.

Mrs. Lloyd Hundley, Christian social relations chairman, announced the WSCS and the Baptist WMU are cooperating in the sponsorship of a workday at the Methodist Church Wednesday, Nov. 30, from 10 a. m. to 3 p. m., for the purpose of making bandages for cancer patients. There will be a sandwich luncheon at noon, she said.

It was voted that each of the five circles shall participate in a WSCS good will project for Thanksgiving and Christmas. The attendance pin for the month was awarded to the Miriam Circle.

Plans were made for the church extension dinner to be held Monday, November 28, at 6:30 p. m., with Mrs. Robert Apgren, chairman of local church activities to be in charge.

## Girl Scout Work Given Recognition

Officials of the Pahokee Cypress Neighborhood Association at the November meeting at the home of the chairman, Mrs. Donna Plumer, gave special recognition to seven new adult leaders who are participating in local Girl Scout work this fall.

The group includes Mrs. Irene Mullis and Mrs. Mary L. Mills, leaders of the Brownie troop of Second Graders; Mrs. Sylvia Smith and Mrs. Barbara Culberson, Troop 128; Mrs. Willie Mae Sheffield and Mrs. Doris Spooner, Troop 195; and Mrs. Nina Hatton, Troop 30. These leaders are currently taking a six-week course in Girl Scout basic leadership training, being taught by Mrs. Rena Canipe of Riviera Beach and Mrs. Lee Kelsey of West Palm Beach at the Belle Glade Girl Scout Hut on Wednesday mornings.

It was announced a Christmas decorations contest for Girl Scouts is being sponsored by the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, each troop to have its entry completed and on public display for judging by the third week in December. The Girl Scout calendars for 1961 were distributed to troop leaders for immediate sale as fund-raising projects. Mrs. Plumer announced that any donations of Girl Scout uniforms by parents whose daughters are no longer active in Scouting will be welcomed. Mrs. Frances Bacon was appointed Cypress Neighborhood secretary.

Miss Jane Towater executive director of the Palm-Glades Girl Scout Council, as guest speaker told of some of the business which is to be brought up at the national convention of Girl Scout executives which she will attend as a delegate in St. Louis, Mo., later this month. Mrs. Evelyn Allen, District 3 chairman, and Mrs. Eleanor Wolf, leader of the Belle Glade Senior Girl Scout Troop, were visitors.

## Brandford Man Dies in Pahokee

Charles Lafayette Douglas, 72, of Brandford, Fla., father of Milton Douglas of Pahokee, died at the Everglades Memorial Hospital on Thursday of last week after a brief illness. He had become ill upon his arrival in Pahokee on Oct. 27 and was taken at that time to the hospital.

Mr. Douglas was a retired mail carrier and a member of the Brandford Baptist Church.

He is survived, in addition to his son, Milton, by two other sons, Juan Darrell of Pahokee and Leonard of Mechanicsburg, Pa.; four daughters, Mrs. Iversis Ashley and Mrs. Juanita Croft, both of Belle Glade, Mrs. Agnes Groft and Mrs. Marlene Collins, both of Jacksonville; one sister, Mrs. Flora Mole of Lake Butler, 19 grandchildren and five great-grandchildren.

## Pahokee PTA Ears \$479.20 Halloween

A net total of \$479.20 was received by the Pahokee Parent-Teacher Association from its sponsorship of the Halloween carnival on the school grounds, according to J. H. Wilkinson, Jr., PTA finance chairman, who was in charge of the project. A full report on the carnival will be given at the November meeting of PTA Monday night. Guest speaker will be Col. Ellis Altman of West Palm Beach, director of Civil Defense, who will give his talk before the start of the business session. Refreshments will be served by Mrs. Billy Sheffield and her hostess committee following the meeting.

## Treasurer Named For Chapter Group

Mrs. Carroll Parker was named treasurer of the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, at the meeting at the home of the president, Mrs. W. O. Moss, succeeding Mrs. Gena Waits, who was granted a leave of absence.

Mrs. Moss appointed Mrs. Lois White chairman in charge of the chapter's participation in the local March of Dimes fund-raising campaign. Plans were made for a dessert bridge party to be held at the home of Mrs. J. L. Tyson, Jr., Nov. 17.

The group received an invitation to attend a tea to be given by the Psi Omega Chapter in West Palm Beach, honoring Mrs. Harriet Sherwood, international honorary member of the sorority. A program, "The Good in Life," was presented by Mrs. Parker.

### SS SUPPER MEETING

Members of the Canal Point Methodist Young People's Sunday School Class held a supper meeting in the Sunday school annex Tuesday night. Mrs. Joe Kent Carr was in charge of arrangements.

## Sod Busters Give Cash To Center

A donation to the Florida Garden Center was voted by members of the Sod Busters Garden Circle at the November meeting at the home of the president, Mrs. Barbara Wilder, Tuesday. Mrs. Ivan Van Horn, past president of the Belle Glade Garden Club, was present at the meeting to demonstrate the making of wax grapes for decorative purposes.

On Wednesday, the day following the meeting, the Sod Busters conducted a workshop at Mrs. Wilder's home, devoting most of the time to the packaging of garden seeds for use as favors at the District 10 meeting of the Federation of Garden Clubs in Belle Glade, Nov. 16.

### SOCIETY TO MEET

The Omicron Chapter of the Sigma Eta Society of Fine Arts will meet at the home of Mrs. Frank Anderson in Belle Glade Monday at 8 p. m. Mrs. Luther Jones, president, will preside. Miss Laurine Anderson will assist her mother as co-hostess.
